

In Water

Bay Ledges

Two, three, four
Oh-oh-oh-oh-oooh, oooh
Haven't [?] we talked about
Oh-oh-oh-oh-oooh
Haven't, yeah-yeah
Oh-oh-oh-oh-oooh, oooh
Haven't [?] we talked about
Haven't, yeah-yeah

Baby's always sleeping, always dreaming of a better place
And I miss all my friends, I wonder why I moved so far away
Rain is falling harder, but it's gonna make the river clean
Just drop me in the water, and I'll wash away what I don't need
Hey-yeah

Don't you get too ahead of yourself
All this time, I was trying
To look for something better, somewhere over the hill
If you're scared, you're prepared
Just be still, I will
Don't you get too ahead of yourself
Yeah, of yourself

Oh-oh-oh-oh-oooh, oooh
Haven't [?] we talked about
Oh-oh-oh-oh-oooh
Haven't, yeah-yeah

Now I know that I'm too old to be so scared of the dark
And lately, I've been feeling like my world is gonna fall apart (Ooh)
But everything is clear when you're standing next to me
Just fall into the water and we'll wash away what we don't need
(Water, water, what we don't need)

Don't you get too ahead of yourself
All this time, I was trying
To look for something better, somewhere over the hill
If you're scared, you're prepared
Just be still, I will
Don't you get too ahead of yourself
Yeah, of yourself

Oh-oh-oh-oh-oooh, oooh
Haven't [?] we talked about
Oh-oh-oh-oh-oooh
Haven't, yeah-yeah
Oh-oh-oh-oh-oooh, oooh
Haven't [?] we talked about
Oh-oh-oh-oh-oooh
Haven't, yeah-yeah
