

June

Bay Ledges

Chicka-bow-wow
Come back someday
Chicka

Come back someday
Chicka-bow-wow
(Come back, come back, come back, come-)
(Chicka-chicka-chicka)
Come back someday
(Come back, come back, come back, come-)

I've been countin' down the days
Since I last saw ya
You know this town ain't the same
Feels like lukewarm water
I put your picture in a frame
And keep it on my dresser
It's so sad, I wear black
'Til you decide to come back

I wanna see ya soon
(Come back someday)
I wanna see ya
(Come back, come back, come back, come-)
I wanna see ya soon
(Come back someday)
I wanna see ya
(Come back, come back, come back, come-)

Your daddy got a new job
(Boooo)
Now you're packing your bags
Moving to Honolulu
We used to sleep on the beach-ch-ch-ch, ah
To keep the summer from slipping
Through our hands, out to sea

Oh June, what we gonna do?
'Cause I've been trying to call
But it never goes through
And my mother says what I gotta do
"Honey, honey, you gotta stop crying"

Yeah, yeah, I wanna see ya soon, yeah
I wanna see ya
(Come back, come back, come back, come-)
Yeah, I wanna see ya, I wanna see ya
Come on back, come on
(Come back, come back, come back, come)
I wanna see ya
Come back someday
Come back someday
Someday
Someday
I put your picture in a frame
And I keep it on my dresser
Someday

Come back someday

Yeah, yeah

I wanna see ya, uh, I wanna, I wanna

Yeah, yeah, I wanna see ya soon, yeah

Come on

I wanna see ya
