Bay Ledges

Alright [?] coming up

(I-I-I'm under your skin)
(I-I-I'm under your skin)

Are you looking right through?
I ain't hard to see
Like a picture on your wall
Do I make a better window?
And if you wanna be true
It ain't hard to be
Just lock yourself in your room
And only think about me
(Me)

Just try, try
'Cause, I wanna see some tears in your eyes
Your eyes, yeah

I wanna break your heart
(I-I-I'm under your skin, let me in)
I wanna break your heart
(I-I-I'm under your skin, let me in)
I wanna break your heart
(I-I-I'm under your skin, let me in)

Way down on the boardwalk
(Yep)
That's where I'll be
In roller skates
And I bought you a bag of mangos
Sunburn with no sunblock
'Cause I forgot
Would you put some on my back?
'Cause I really wanna feel you try
Try
Darling, if you only knew the mess I am inside
Yeah

I wanna break your heart
(I-I-I'm under your skin, let me in)
I wanna break your heart
(I-I-I'm under your skin, let me in)
Oh, let me in
(I-I-I'm under your skin, let me in)
(I-I-I'm under your skin, let me in)
Yeah, yeah, oooh
(I-I-I'm under your skin, let me in)
Under your skin
(I-I-I'm under your skin, let me in)

I wanna break your heart
Yeah, yeah

Way down on the boardwalk
That's where I'll be
(Darling if you only knew the mess I am inside)

(Yeah)
Where I'll be
That's where I'll be
(Under your skin, let me in)
(Under your skin, let me in)
(Under your skin)
(Let me in)
(I'm under your skin, let me in)
