Bay Ledges

Wounded
I feel a pain
Wounded
By you

Wounded
I feel the pain
When I'm wounded
By you

Wounded
I feel a pain
Wounded
By you

Wounded
I feel the pain
When I'm wounded
By you

Coming in you looked so raw
It was hard to watch it all
And time heals everything
But it also carries you away
I feel guilt to feel this good
While your mother's barely breathing
Walk toward the sun
I wish you'd come
Come to heal me

Wounded
I feel a pain
Wounded
By you
Wounded
I feel the pain
When I'm wounded
By you
