

Walk Away

Bay Ledges

I said I'd try to be better
You said you'd wait forever
Now we're just strangers
Standing in a Christmas party sweaters
And I won't lie, it's a little hard
You say you're going out to the backyard
And then, I spilt jungle juice
All over my brand new white leather shoes

And it's so hard, it's so hard
To watch you walk away
It's so hard, it's so hard
To face another day
And it's so hard, it's so hard
To watch you walk away

Away, away
To watch you walk away
Away, away
To watch you walk away

And I thought back in November
This would all get a little easier
But sometimes feelings change
And you might've just called me
Somebody else's name

Feels like the world's been on your back
Still sad, now what's so wrong with that?
And I'll just be on my way
I'm ripping off the bandaid

And it's so hard, it's so hard
To watch you walk away
And it's so hard, it's so hard
To face another day
It's so hard, it's so hard
To watch you walk away

Away, away
To watch you walk away
Away, away
To watch you walk away

It's so hard
(I said I'd try to be better)
It's so hard
(You said you'd wait forever)
It's so hard
(I said I'd try to be better)
