

Waterfalls

Bay Ledges

You're my favorite song
Underwater, daylight comes undone
Underwater, and I can be two people at the same time
I'm fine, pull me on your line

I don't wanna waste it all
Waterfalls, falling faster
I don't wanna waste it all
Waterfalls, falling faster
(Underwater)
(Underwater)

Now all the world is still
Aand I can feel the slow September chill
A moment left to steal
(Waterfalls)
(Waterfalls)
(Waterfalls)

I don't wanna waste it all
Waterfalls, falling faster
I don't wanna waste it all
Waterfalls, falling faster
(Underwater)
(Underwater)

I don't wanna waste it all
Waterfalls, falling faster
I don't wanna waste it all
Waterfalls, falling faster

I don't wanna waste it all
Waterfalls, falling faster
I don't wanna waste it all
Waterfalls, falling faster
