Hmm-hmm

See me starring at you I can't help it
Because I love you I can't help it
Iwọ nikan ni, mi o le fẹ ẹlomi
Because I love you I can't help it
No fit me no fit leave you baby o

So if I'm staring at you
In this weather for two
Tell me what you gon do my baby

But dammit, I just can't decide
You con still fine my baby you divine
