

Feel

BAYNK

Feel just a little bit, push it up, try to take a hit
Just a little bit, try to take a hit babe
Feel just a little bit, push it up, try to take a hit
Just a little bit, just a little bit babe
Feel just a little bit, push it up, try to take a hit
Just a little bit, try to take a hit babe
Feel just a little bit, push it up, try to take a hit
Just a little bit, just a little bit babe

Don't cry
It's just another Friday night
It's your life
You're free to do anything you want to try

Feel just a little bit, push it up, try to take a hit
Just a little bit, try to take a hit babe
Feel just a little bit, push it up, try to take a hit
Just a little bit, just a little bit babe
Feel just a little bit, push it up, try to take a hit
Just a little bit, try to take a hit babe
Feel just a little bit, push it up, try to take a hit
Just a little bit, just a little bit babe

No more free rides
On the passenger side of my best friends (Oooh) ride

Don't try
I'll see you on the other side
It's alright
There's nothing left to do let's just not die

Feel just a little bit, push it up, try to take a hit
Just a little bit, try to take a hit babe
Feel just a little bit, push it up, try to take a hit
Just a little bit, just a little bit babe
Feel just a little bit, push it up, try to take a hit
Just a little bit, try to take a hit babe
Feel just a little bit, push it up, try to take a hit
Just a little bit, just a little bit babe
