

Off Limits

BAYNK

If you got something to say
Just say it right away
Don't hide under our breath

You keep giving me the signs
Tell me what's on your mind
Don't let it hold

I remember the night I was tongue tied
And we both kept our secrets inside
You said we should always be honest
But being honest is the hardest

Baby just tell me
What You need to tell me
Just got to go with it
Cause nothing's off limits

So why don't you just tell me
What You need to tell me
Just got to go with it
Cause nothing's off limits

So what you gonna to do
You know I am into you
We've something so good

I've been waiting so long
Tell me what's you really want
Don't be scared to make your move

I remember the night I was tongue tied
And we both kept our secrets inside
You said we should always be honest
But being honest is the hardest

Baby just tell me
What You need to tell me
Just got to go with it
Cause nothing's off limits

So why don't you just tell me
What You need to tell me
Just got to go with it
Cause nothing's off limits
