BAYNK

Ooh you know we're never gonna get older
Ooh you'll never have to cry on my shoulder
Ooh you know it's never gonna get colder
If the sun's out then we've got a lot of time to kill

Ooh.. you know.. never gonna get
Ooh.. you know.. we're never gonna get
Ooh.. you know.. never gonna get
Ooh.. you know.. we're never gonna get

Ooh I really love to see you such a good sight
Ooh keep running hoping we don't have a big fight
Ooh you know we're losing all of our time right
'Cause the sun's down and the darkness is creeping in

Right?

Ooh.. you know.. never gonna get
Ooh, you know, you know we're losing all of our time right
Ooh.. you know.. we're never gonna get
And the darkness is creeping in

Ooh.. you know.. never gonna get
Ooh you know, you know we're losing all of our time right
Ooh.. you know.. we're never gonna get
And the darkness is creeping in

Ooh.. you know.. never gonna get
Ooh.. you know.. we're never gonna get

Ooh.. you know.. never gonna get
Ooh you know, you know we're losing all of our time right
Ooh.. you know.. we're never gonna get
And the darkness is creeping in

And the darkness is creeping in, ooh
And the darkness is creeping in, right
And the darkness is creeping in, ooh
And the darkness is creeping in
