

Remember

BAYNK

Remember when you and I
Started out as friends, getting high?
Say the word and I'll be down to go
Anywhere as long as we're alone
Your fingertips find my thighs
Oh, it gives me chills down my spine
We pull over 'cause we can't control
All these feelings rolling through our souls

Backseat lover
Your hands are burning up my skin like summer
I remember (Oh, oh, oh)
I remember (Oh, oh, oh)
Backseat lover
Your hands are burning up my skin like summer
I remember (Oh, oh, oh)
I remember (Oh, oh, oh)

Passing by where you met me
Shut my eyes, do you miss me?
Ever since that night turned into day
California never feels the same
It's in the things you do
It's in the way you move
Come my way, nothing's changed
I want this forever
Do you remember?

Backseat lover
Your hands are burning up my skin like summer
I remember (Oh, oh, oh)
I remember (Oh, oh, oh)
Backseat lover
Your hands are burning up my skin like summer
I remember (Oh, oh, oh)
I remember (Oh, oh, oh)

Remember when (I'm on my way)
Started out as friends (I'm on my way, oh)
Say the word and (I'm on my way, oh)
Anywhere as long (I'm on my way, I'm on my way, I'm on my way)
Your fingertips (I'm on my way)
Oh, it gives me chills (I'm on my way, oh)
We pull over (I'm on my way, oh)
All these feelings (I'm on my way, I'm on my way, I'm on my way)

Backseat lover
Your hands are burning up my skin like summer
I remember (Oh, oh, oh)
I remember (Oh, oh, oh)
Backseat lover
Your hands are burning up my skin like summer
I remember (Oh, oh, oh)
I remember (Oh, oh, oh)

I'm on my way
I'm on my way, oh

I'm on my way, oh

I'm on my way, I'm on my way, I'm on my
