

Shatter

BAYNK

This one seems like a tricky one
No I don't know what to say
This one seems like a tricky one

I know you're an original
There ain't nobody better
I know it isn't logical
But sadness is a feather

You fall and you fall and you fall and you fall and you fall til you
land
And in the end everything's better than what you had planned

Shatter
Shatter
And build it up again

Shatter
Shatter
And build it up again

Shatter
Shatter
And build it up again

Next time you will be luckier
I can already feel it
Next time you will be luckier

Heartache won't be familiar
You'll be in pretty places
I know it isn't logical
But sadness is a process

You fall and you fall and you fall and you fall and you fall til you
land
And in the end everything's better than what you had planned

Shatter
Shatter
And build it up again

Shatter
Shatter
And build it up again

Can already feel it
I can already feel it
