

## Touch Me (Hold My Hand)

BAYNK

Touch me, hold my hand  
Touch me, hold my hand  
Touch me, hold my hand  
Touch me, hold my hand

Touch me, hold my hand  
Touch me, hold my hand  
Touch me, hold my hand  
Touch me, hold my hand

Only I would pass a road so frozen over  
Someone's got a cold face in the RV  
You might get to know me in this cold air  
Through this snow-belt in this RV

Touch me, hold my hand  
Touch me, hold my hand  
Touch me, hold my hand  
Touch me, hold my hand

Touch me, hold my hand  
Touch me, hold my hand

Touch me, hold my hand  
Touch me, hold my hand

In this cold air
