

What Am I Going To Do With You

BAYNK

There's a lake, off Broadway
Sparkling in the sun
When we walk between the ducks
I see her

There's a flower
Blooming on the pave
And I cradle it
Like it was her grave

There's long street, a stream off 9 and 10th
Where I pictured our reflection in the wall

There's a flower
Blooming on the pave
And I cradle it
Like it was her grave

What I'm gonna do with you
What I'm gonna do with you

Sorry that I call you the minute I'm down
I don't know what I would do without you
Sorry that I can't be here for you now
What I'm gonna do with you

Sorry that I call you the minute I'm down
What I'm gonna do with you
Sorry that I can't be here for you now
I don't know what I would do without you

Sorry that I call you the minute I'm down
What I'm gonna do with you
Sorry that I can't be here for you now
What I'm gonna do with you

Sorry that I call you the minute I'm down
I don't know what I would do without you
Sorry that I can't be here for you now
What I'm gonna do with you

Sorry that I call you the minute I'm down
I don't know what I would do without you

Sorry that I can't be here for you now
