

What You Need

BAYNK

Boy, you had it from the start
Played the game, you played your part
Heavy hearts and cautious dreams
Heads in clouds to make belief

Boy, you had it from the start
Have my head, you have my heart
All you looking for is me
Can't you tell 'em what you need

What you need
Can't you tell 'em what you need
All you looking for is me
Can't you tell 'em what you need
Can't you tell 'em what you need
What you need
Tell 'em what you need
What you need
Tell 'em what you need

Had it from the start
Couldn't think of being apart
Breaking free from the unseen
Holding onto what has been
Boy, you know just who you are
Hold my hand, don't go too far
All you' looking for is me
Can't you tell 'em what you need

What you need
What you need
Tell 'em what you need
What you need
Tell 'em what you need

Boy, you had it from the start
Have my head, you have my heart
All you're looking for is me
Can't you tell 'em what you need

What you need
What you need
Tell 'em what you need
What you need
Tell 'em what you need
What you need
Tell 'em what you need
What you need
Tell 'em what you need
