BAYNK

Oh

Oh

A light shatters through when my blood boils for you, oh
At home I feel alone, but I'm surrounded by my own, oh, oh
I've grown to love you so, but I feel tired on my own, oh

Years (Oh, oh)

Years

Know I've wanted you for years (Oh, oh)

Oh

Oh, oh

Oh, oh

Years (Oh, oh)

Years

Know I've wanted you for years (Oh, oh)

Oh

My love starts to change when you reveal your foolish ways
And I look the other way, 'cause I can see the stage
And from the crowd, I hide my thoughts out loud when I
Can't contain my tears, yes I know I want you

Years, years

Oh, oh

Oh, oh

Years (Oh, oh)

Years

Know I've wanted you for years (Oh, oh)

Oh

Come on
