Bazanji

Yeah, yeah  
Ohh-woah

Turn the 90210 into a party (party)  
She ain't really messin' with nobody (nobody)  
Tell her what's the deal and she callin' (callin')  
If she playin' games then I'm falling (falling)  
Turn the 90210 into a party (party)  
She be staying focused on the money (money)  
Living in the hills yea she ballin' (ballin')  
Told her that I be there by the morning  
Morning, yeah

Aye, wake up  
One-way flight to LAX  
Straight to the crib don't talk on text  
Get to the biz you know what's next  
I'll let you guess  
Clean up  
Go straight to the club  
ATM gotta get some ones  
Make it rain, no I make it storm  
That's my life  
And I won't stop now  
Not from here, I come from the south  
But right now I'm here out west  
You like Khaled cuz you the best  
That's my type and I love that shit  
She don't play when she ride that - uh  
And you know that when I pull up

Morning, yeah

Aye, it's just me and you  
Tell me what you wanna do  
Lotta fake ones in this town  
Stand out when I tell the truth  
Leave my pain in the bottle  
Too much I'll feel it tomorrow  
But I came to let go  
Just more of us and less clothes  
I like the way that you talk to me  
Everything that I thought you be  
Girl you know that I'm into you  
I'm sorry if it be hard to see  
I'm busy now but I make time  
I never put you on the sideline  
I pull up to your city
