

# Calling Your Name

Bazanji

I was down now I'm up  
When I seen that you walking my way  
Baby girl, come talk to me  
I ain't got too much to say  
Pour another drink up  
I don't want to leave nothing to waste  
You the one that I want  
You can hear when I'm calling your name like

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

Pour another drink up  
I don't want to leave nothing to waste  
You the one that I want  
You can hear when I'm calling your name

Aye

You can be what you want to be  
But you stolen my heart, that's a robbery  
Are you down with me girl, would you ride for me  
I won't ever let you sit in economy  
I'm the type that gon' take you on shopping spree  
Rocking Louis or the Prada with the jewelry  
Everything top class, it ain't new to me  
I don't care about your past  
You're my future queen, yeah

I was down now I'm up  
When I seen that you walking my way  
Baby girl come talk to me  
I ain't got too much to say  
Pour another drink up  
I don't want to leave nothing to waste  
You the one that I want  
You can hear when I'm calling your name like

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

Pour another drink up  
I don't want to leave nothing to waste  
You the one that I want  
You can hear when I'm calling your name

Aye, yeah

I don't want to hit the club if you ain't in it  
I've been trying to hit my shot like the game winner  
I'mma keep it on the low like a late dinner  
And I'm trying to travel all around the world with ya  
Waking up in a new city, new vibes  
Skyview when we staying out in Dubai  
Santorini we be out by the pool side

I'mma put you first class 'cuz you too fly

I was down now I'm up  
When I seen that you walking my way  
Baby girl come talk to me  
I ain't got too much to say  
Pour another drink up  
I don't want to leave nothing to waste  
You the one that I want  
You can hear when I'm calling your name like

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

Pour another drink up  
I don't want to leave nothing to waste  
You the one that I want  
You can hear when I'm calling your name
