Got a brand new view it's looking gorgeous  
Money counter going brrr it's enormous  
Yeah my time expensive they cannot afford it  
And this drip is not domestic it's imported  
Now I got a brand new view it's looking gorgeous

I been a man of my word  
They wondering about my top three  
I'm first, second and third  
I said that shit and I did it too  
I put in work until I grew  
I started out in my dorm room  
Now I got a crib with an ocean view  
And the world is yours if you want to have it  
Turn the grind into a habit  
Need a deal with HBO  
'Cause my lifestyle been cinematic  
Everyday a new celebration  
Every month to another nation  
Instagram be the travel channel

No record deal, I'm independent  
Been the boss that ain't a question  
I had to fail just to learn a lesson  
Twenty seven, I'm still going  
Less wishing and more hoping  
Back then they would shut the door  
I came back and I bust it open  
Hard work is my best talent  
I don't care about the Met Gala  
Had to grind some late nights  
It got me feeling like Jimmy Fallon  
Ain't nobody on my level  
They want a hit but I got several  
Catalog been paying off, I
