

# LIMITLESS

Bazanji

Imma just do it like this  
No days off I'm too locked in  
Money on my mind that's all I think  
I put in that work for the life I live, I do  
Got an AP on the wrist  
Just to remind me time not cheap  
Curry for three they know I don't miss  
I got what I wanted that's all I need  
Back in the lab again  
I'm getting ready I'm going to war  
They buying designer to look like the mannequin  
I go invest, I keep making more  
Run it up, run it up, run it up, run it up  
I cannot even keep track of the score  
Look at the top it's not out of my reach  
If they try to stop me I'll break down the door  
Came a long way from when I was broke  
Game on the line you better not choke  
Never told a lie like I'm under oath  
I been on fire they getting real cold  
I been up late night, working 'til daylight  
Can't get enough, I never had stage fright  
Built for the moment, I gotta own it  
And I been in my zone, I'm boutta take over

I'm feeling limitless  
Whatever I want, I know that I'm getting it  
I got the confidence, I got respect  
Nobody telling me different  
Top of the game, on top of the world  
Already envisioned it  
I put in the time, I put in the hours  
Now I'm feeling limitless

Back to grind that's all I know  
Not no amateur, I'm a pro  
Been through the darkness  
Been through the hard times  
But I still found that gold  
Mind been playing some tricks on me  
I stay to myself I don't get lonely  
I stay in the game 'til I get trophies  
I'm in the cayenne they can't match my speed, oh no  
Getting my reps in, steady progressing  
Onto the next, I'm keeping them guessing  
They tryna do what I do, but it can't be done  
They don't got that ethic, nah  
Only the real ones gonna relate  
Chasing their dreams on the day to day  
People gon' talk that talk but they not gon' work  
Then there ain't no way, no way  
I want the world  
I said it before and I'll say it again  
Only got one life that I got to live  
I'll make sure it's worth it up until the end  
No wasting time, I won't wait in line  
For nobody telling me what I can get

I got the money, the power, respect  
But Imma keep going 'til ain't nothing left, yeah

I'm feeling limitless  
Whatever I want, I know that I'm getting it  
I got the confidence, I got respect  
Nobody telling me different  
Top of the game, on top of the world  
Already envisioned it  
I put in the time, I put in the hours  
Now I'm feeling limitless
