

# Real Me

Bazanji

Take it back to my journey  
Being broke was not working (ay)  
Minimum wage  
I wasn't paid  
But I knew that I'd be worth it  
Go to school but not learning  
Learning 'bout my main purpose  
Selling out shows  
Doing the most  
Know that I gotta go earn it  
Pro Tools on my laptop  
Every day I be wrapped up  
Making beats yet not making songs  
But nobody would put me on  
Started out on my Soundcloud  
Fifty plays and I'm gassed up  
Knew that I gotta keep going  
Cause people be watching  
Now I cannot back up  
Momma told me I make it  
Pops told me be patient  
Brother told me I pop off  
Never wanna be famous  
Instagram makes animals  
People focused on getting views  
I just been focused on music  
I'm hoping to do everything that I said I do

I remember when they thought I wouldn't make it  
I remember when they thought that I was crazy  
I remember every time that I fell down  
But it turned me to the man I am now

This the real me  
Yeah, this the real me  
Everybody stay down on the same team  
This the real me  
Yeah, this the real me  
And we all came up for the feeling  
This the real me  
Yeah, this the real me  
Everybody stay down on the same team  
This the real me  
Yeah, this the real me  
And we all came up for the feeling

Growing up never the best  
But I got heart in my chest  
Never the one who would quit  
History telling the rest  
People be counting on me  
So I gotta make everything happen for me  
'Cause I got a lot of people waiting on me  
And I got a family I need to impress  
Yes, I know I'm the man  
Know I be counting up bands  
Always remember the past

Know that it never would last  
Everyone who would've laughed  
Now they all gone  
Everything on  
Don't need to party  
I gotta make songs  
People be listening  
What I'm envisioning  
But I be hoping  
They righting my wrongs  
Yeah  
Everything that I built up  
Took a lot of time  
And a lot of gut  
Lot of self belief  
Lot of sacrifice  
But I let it be  
This ain't overnight  
And I stayed down  
When it got tough  
And I got friends  
And they show love  
So we came up  
And we stay up  
This ain't Hollywood  
I won't change up  
I know

I remember when they thought I wouldn't make it  
I remember when they thought that I was crazy  
I remember every time that I fell down  
But it turned me to the man I am now

This the real me  
Yeah, this the real me  
Everybody stay down on the same team  
This the real me  
Yeah, this the real me  
And we all came up for the feeling  
This the real me  
Yeah, this the real me  
Everybody stay down on the same team  
This the real me  
Yeah, this the real me  
And we all came up for the feeling
