

Lelele

Bazzazian

Roll down your window
Now gimme your money
I don't have a gun, but
Gimme your money

Roll down your window
Now gimme your money
I don't have a gun, but
Gimme your money

A million cars are passin' by
(Le-le-le, le-le-le-le)
Million eyes are watchin' us
(Le-le-le, le-le-le-le)

I'm like a samurai
(Le-le-le, le-le-le-le)
Hippies play like The White Stripes
(Le-le-le, le-le-le-le)

Roll down your window
Now gimme your money
I don't have a gun, but
Gimme your money
(Le-le-le, le-le-le-le)

Roll down your window
Now gimme your money
I don't have a gun, but
Gimme your money
(Le-le-le, le-le-le-le)

Gimme, gimme, gimme
All your money, money, money
Gimme, gimme, gimme
All your money, money, money

I'll meet you at this crossroad
(Le-le-le, le-le-le-le)
Maybe I came here on the boat
(Le-le-le, le-le-le-le)

You believe what you've been told
(Le-le-le, le-le-le-le)
You think this only your home
(Le-le-le, le-le-le-le)

Roll down your window
Now gimme your money
I don't have a gun, but
Gimme your money
(Le-le-le, le-le-le-le)

Roll down your window
Now gimme your money
I don't have a gun, but
Gimme your money

(Le-le-le, le-le-le-le)

Gimme, gimme, gimme
All your money, money, money
Gimme, gimme, gimme, gimme, gimme, gimme

Le-le-le-le-le-le, le
Le-le-le-le, le, le
Le-le-le-le, le, le-le-le-le, le
Le-le-le-le, le, le

Give me all your money
Le-le-le-le, le, le
Give me all your money
