Runnin'
Everybody's runnin' after something
Everyone is searching within
Could we be runnin' for nothing?
Could you stop runnin'?

Everybody's runnin' after something
Everyone is searching within
Could we be runnin' for nothing?
Could you stop runnin'?

Everybody's runnin' after something
Everyone is searching within
Could we be runnin' for nothing?
Could you stop runnin'?

(Everybody's runnin' after something)
(Everyone is searching within)
(Could we be runnin' for nothing?)
(Could you stop runnin'?)

Everybody's runnin' after something
Everyone is searching within
Could we be runnin' for nothing?
Could you stop runnin'?

Hello old friend
I haven't seen you in a long time
Tell me how you've been
Tell me how you've been
You look the same
But time has changed
It's a foreign land
From now till then

Life went on without you
And I know you did the same
And that I'm not important
And yeah, I cry in vain
And here we are facing this distance
So close
Just hold me for a second and then
Forever let me go

I couldn't stop runnin'
To see you again

I know that life went on without me
And I know I did the same
And now I'm not important
And there's no one to blame
And here we are facing this distance
That's so close

Tell me how you've been
Tell me how you've been
You look the same

But time has changed
(But I've said it)
It's a foreign land
From now till then

I couldn't stop runnin' (Runnin')

I know that life went on without me
And I know I did the same
And now I'm not important
There's no one to blame
And here we are facing this distance
That's so close
Let me go
Won't you let me go
Let me go
Won't you let me go
Let me go
Won't you let me go
