

# Alone

Bazzi

(Your call has been forwarded to an automated voice message)

Maybe I'm cold  
Frozen from my past before, damn  
Don't get too close  
You won't find what you're looking for  
Oh, no

And I hope you don't judge me  
All I know is how to be who I am  
And if you start to touch me  
I hope you know the place where we stand

Don't tell me that you love me  
'Cause I won't love back  
Don't tell me that you need me  
'Cause I don't need that  
Don't tell me that you want me  
'Cause I'm on my own  
So when we finish touching  
Girl, I'm all alone  
All alone, all alone

Maybe I'm fine  
Fine with being by myself, yeah  
Maybe I'm not trying  
Trying to have nobody else  
I'm not

And I hope you don't judge me  
All I know is how to be who I am  
And if you start to touch me  
I hope you know the place where we stand

Don't tell me that you love me  
'Cause I won't love back  
Don't tell me that you need me  
'Cause I don't need that  
Don't tell me that you want me  
'Cause I'm on my own  
So when we finish touching  
Girl, I'm all alone  
All alone, all alone, yeah

All alone  
All alone  
Alone
