

Bird

Bazzi

All that I'll be
All that I am
I'm just a bird
Inside of a man
Nowhere to run
Nowhere to hide
I'll have to live with these wings
The rest of my life

Baby, I'm just a bird
Bird, flying high, so high
I've gotta run, run for the rest of my life
'Cause baby, I'm just a bird
A bird, flying high, so high
I've gotta run, run for the rest of my life

So, you'll have your fun
You know I'll have mine
But in the end
We're both out of time
And I'll take these wings
And go up real high
'Cause in the end
Alone in the sky

Baby, I'm just a bird
Bird, flying high, so high
I've gotta run, run for the rest of my life
'Cause baby, I'm just a bird
A bird, flying high, so high
I've gotta run, run for the rest of my life
