

Ooh, don't leave me alone tonight
Baby, I'm too weak to be here on my own again
Yeah
Oh-oh, oh
Ooh, oh-oh, oh
Oh-oh, oh-oh, oh
Oh

Goodbye friend
The world is fake so we can play pretend
If you come over, would you love me again?
I'll let you hold me in the palm of your hands
You're so special

Ooh, don't leave me alone tonight
Baby, I'm too weak to be here on my own again
Yeah
Ooh, don't leave me alone tonight
Baby, I'm too weak to be here on my own again
Yeah

Oh-oh, oh
Ooh, oh-oh, oh
Oh-oh, oh-oh, oh
Oh

You know that you're the only heaven that I care to get in
And everyone around you pales in comparison
Tell me what it's gon' take, my dear
I'm half myself when you're not here
Let's go back to the start
I miss the rhythm of your beating heart
I'm broken either way
Just tell me that you'll stay
'Cause baby, you know you're so special

Ooh, don't leave me alone tonight
Baby, I'm too weak to be here on my own again
Yeah
Ooh, don't leave me alone tonight
Baby, I'm too weak to be here on my own again
Yeah

Oh-oh, oh
Ooh, oh-oh, oh
Oh-oh, oh-oh, oh
Oh
