

Eyes

Bazzi

I saw my life with you
It's one hell of a view
A beautiful moment
Afraid of the mornin'
You put your heart on mine
Watch us both intertwine, yeah
This life that we facin'
It feels so amazin'

Tonight, I, I swear

In those eyes, I feel it all over
Inside her, losin' composure
I'm holdin' on for my life
Drownin' in those eyes
I'm shakin', pullin' me closer
Replayed it twenty times over
I'm holdin' on for my life
Drownin' in those eyes

I'll waste away with you
We could start brand-new, yeah
Remember the feelin'
'Cause I swear I could feel it again, mm
I don't wanna waste no time, I just wanna make you mine, hey
You know that you're beautiful, I told you it a thousand times,
hey
In my dreams, I wonder why we could never change back time, uh
But I know I'll be alright when I got you by my side

Tonight, I, I swear

In those eyes, I feel it all over
Inside her, losin' composure
I'm holdin' on for my life
Drownin' in those eyes
I'm shakin', pullin' me closer
Replayed it twenty times over
I'm holdin' on for my life
Drownin' in those eyes
