

Only Fan

Bazzi

I'm your only fan, girl

I'm goin' crazy seeing pictures on the internet
Woah, oh-woah
Now doctor, uh, I can't see, runnin', running round my head
Ooh-oooh-oh

How I don't know you
But I'm missin' you?
Yeah, I can't break through
And it's drivin' me crazy
This can't be less
See with the word in you grave
Can you play with my heart again?

I think I said, "Ooh, ooh-oooh"
Dancin' on the bay with you
Ooh, ooh-oooh, I'm your best fan, girl
Ooh, ooh-oooh, cancel all your plans, girl
Ooh, ooh-oooh, I'm your only fan, girl

I'm your only fan (Yeah)
Listen

I fucked your best friend, I just thought that maybe you should know
(You should know)
My life's exotic, I swear nothin' is the usual (Never)
And I know you could use someone more suitable
And I know sometimes that I can be difficult (Hey)
But when I hop out the Benz with the Burberry trainers, bet you wasn't complainin', woah, woah
And when I bought all your friends new Cartier lens but you didn't say nothin', no, no
And they don't know what you don't know, what I don't know
Why the hell am I even missin' her? Where the time go?

How I don't know you
But I'm missin' you?
Yeah, I can't break through
And it's drivin' me crazy
This can't be less
See with the word in you grave
Can you play with my heart again?

I think I said, "Ooh, ooh-oooh"
Dancin' on the bay with you
Ooh, ooh-oooh, I'm your best fan, girl
Ooh, ooh-oooh, cancel all your plans, girl (Oh, yeah)
Ooh, ooh-oooh, I'm your only fan, girl

I'm your only fan, girl
