

## Star

Bazzi

Faded off of that bottle  
Livin' like no tomorrow  
I like you 'cause I'm lifted  
And you like me 'cause I'm gifted  
Buttoned down in designer  
That Dolce and that Gabbana  
Painted just like an angel  
I thank the Lord that he made you

I see it in your eyes  
Passion you can't deny  
Girl, we can live that life  
I see it all

There we are  
Smokin' on rolled cigars  
Hollywood boulevard  
I can see it all now  
You could be  
Bigger than your fantasies  
Standing right next to me

I see it all now  
You're a star...  
I can see it all now  
You look...

Like you straight out a movie  
Naked in the jacuzzi  
Stuntin' like you Madonna  
That beautiful persona  
Energy go crazy  
I might have your babies  
And I don't usually say this  
I swear it's not 'cause I'm faded

I see it in your eyes  
Passion you can't deny  
Girl, we can live that life  
I see it all

There we are  
Smokin' on rolled cigars  
Hollywood boulevard  
I can see it all now  
You could be  
Bigger than your fantasies  
Standing right next to me

I see it all now  
You're a star...  
I can see it all now  
You're a star...  
I can see it all now

There we are  
Smokin' on rolled cigars

Hollywood boulevard  
I see it all now  
You're a star
