Oh, oh, oh-oh  
Say you want me

I've been hooked for a while now  
Don't think that I can come down  
Lost myself in your fiction  
Sexually addicting

But I can't let go, you know it  
You push me to my lowest  
This love has got me hopeless  
Oh, yeah  
You are the one I lean on  
Baby who turn my dreams on

(Let's go)  
Oh, oh-oh-oh  
Say you want me  
Say that you want me, babe  
Oh, oh-oh-oh  
Just a little  
Come get a little, babe  
I like to feel it, like to touch it, get my hold on  
You pull me close [?] goes numb  
Oh, oh-oh-oh  
Say you want me  
Say that you want me, babe

I've been searching for your love  
I've been feening for your touch  
Got that shit that lift me up  
And lately I've been in the rough, [?]

Tears stop and I won't stop  
'Cause I need me to be yours  
Get these messages from my inner self  
That I just can't ignore  
So I'll picture and envision  
My hand in yours  
So I just gotta be sure

So  
Oh, oh-oh-oh  
Say you want me  
Say that you want me, babe  
Oh, oh-oh-oh  
Just a little  
Come get a little, babe  
I like to feel it, like to touch it, get my hold on  
You pull me close [?] goes numb  
Oh, oh-oh-oh  
Say you want me  
Say that you want me, babe

Friction in our souls  
Makes us lose control  
I just gotta know

If you're leaving with me  
Well, do I go?
