

# Uh Oh

Bazzi

I think I might have fallen in love  
(Uh-oh, uh-oh)

Faded off your love and I'm feelin' deep  
The power of your touch makes me reminisce  
'Bout days when I, I was young  
And we ain't said our part but we understand  
That closin' your blue eyes isn't in the plan  
Oh, I, I can't wait, to get you home

So baby, take my hand, tell me where to go  
'Cause I ain't felt things like this before  
Look at me and sit right there  
So I can stop and stare

I think I might have fallen in love (In love, in love)  
(Uh-oh, uh-oh)

I don't know if it's you or the drugs (The drugs, the drugs)

(Oh, uh-oh, uh-oh)

Faded off the rush

(Uh-oh, uh-oh)

Oh, I think I might have fallen in love (In love, in love)  
(Oh, uh-oh, uh-oh)

Tellin' pretty lies from your cherry lips  
And I don't even mind 'cause we're both okay  
Oh, I (Oh, I), can't wait (Can't wait) to get you home  
Yeah-yeah, yeah-yeah  
'Cause the vibe's all here and you know you look good  
Everybody want you and they wish they could  
No Mrs. Sunshine, pocket full of cold  
Run around town like we eight years old

So take my hand, tell me where to go  
'Cause I ain't felt things like this before  
Look at me and sit right there  
So I can stop and stare

I think I might have fallen in love (In love, in love)  
(Uh-oh, uh-oh)

I don't know if it's you or the drugs (The drugs, the drugs)

(Oh, uh-oh, uh-oh)

Faded off the rush

(Uh-oh, uh-oh)

Oh, I think I might have fallen in love (In love, in love)  
(Oh, uh-oh, uh-oh)
