

# Chase Em Down

BBG Steppaa

Aye go chase em down  
Go chase em down  
Go chase em aye aye

Look tell the opps that I'm tryna play ball when I touch nigga  
Fully on a glock turn em all to dust nigga  
G27 got a cock and it fuck niggas  
I'm tryna catch like seven geese on that block and make em duck nigga

Look he in that Uber we gon rush switch him  
And they gone lose em for they move him to that fucking spital  
Aye I gotta choose which one I'm fucking killing  
Fast with my shoes hawk him down boom now he with that other nigga

Be cracking treys I'm dropping 5's and I be shooting 7's  
Watch how we break em try to hop and we alluding stretch em  
Might gotta put that cake up on his mind that bitch be moving special  
Y'all could've baked him waited outside until y'all knew to catch him

Y'all niggas faking y'all ain't been outside y'all new to stepping  
I wanted to face him but I'm out of town can't shoot my weapon  
Hop out and chase him my choppa shells send Ubers to heaven

Catch Lil dada we erase him try to run tall ooter shoot his chest in  
I wasn't wrong I bought my toolie in that bitch while school was in session  
Ksubi with the Louis hold the blick one wrong move and we gone shoot and stretch him

Got jewels he lose his necklace  
My juvie ooters reckless  
Hit they block shoot a movie with vector  
Got niggas moving sections

Yea this a salute to all the niggas that done shot they gun  
Before I ever tried to get a bag I put a opp in one  
Bougie stepper put my Glocks away I need a chop or sum  
If you ain't run em down on that skit you is not no hunter

Smoke wit him tried to kill him after you know I'm a snake  
If I can't get it done I'm sending twin cause that's my baby A  
You act like you ain't seen a gun before it's just a baby A  
The fuck I look like tryna chase a bitch you know I'm overweight

Yea yea popped more of them then they did us go check the stats  
Free Bussaband in Slobee Mode they mad about that double back  
Jordan Court shut down the yard so they don't post on nathen end before he died he was a bitch on fad yea that's on black

Yea they ask me why I live this way cause I ain't got no Heart  
This shit ain't safe I gotta keep this iron man Tony Starks  
Play with my granny house we killing everybody at the yard  
Black died then sauce overdosed so is that body ours (yea yea)

Fuck the DA they still ain't tryna free the Taliban  
Don't let me catch you throwing up the threes and loose yo fucking hand  
I popped him off a jigga I get jiggy ion fuck with xans  
Don't fuck with any side that fuck with flies so it's fuck the land

Still fucking bitches from the hood Lil Jaaybo get around  
Don't post up on they block they been in sak since we shut Scribner down  
Spanked a grown man somebody momma say we killed her child  
Done spanked so many opps I need one more I'm tryna clip tatou

I'm bending blocks behind my thugs  
Her baby daddy from the mob but she scream gzz when she cum  
SouthEast fucked a crip bitch now she banging bloods  
Just hit my line you wanna hoop cause we can have a one on one

Threw the dracy Inna trash chase we just bagged a nigga wit it  
You prolly never Inna load if niggas ask you if you spinning  
Stop taking pictures Inna G you niggas asking for a sentence  
I'm picking Max up every time cause I done bagged a nigga with him 2 1
