I say fuck all this beef, I'm just tryna get rich while I'm counting this paper she sucking my dick
You niggas be pussy, lying and shit steady talking bout shit that ya never did
Watch out for that car I can't see in that whip
If he sliding it down then I'm sending assit ya niggas pussy I just never trip cause the homies gonna slide future threw clip
Like I really get active I on say a word I'm just ready for action you slid in La ya niggas be capping ya not like that stop all that rapping
With the gang my lil bro a savage hell slide threw and he letting you have it
I was like 9 when I first starting rapping I jump in the streets and I started adapting
Tryna stay safe I ain't tryna be past tense Long Live who I ain't letting it happen
Before I go 8 hold ima blast Big Gun with a hold and a mang only want the sucks I ain't fucking that strag
I'm too smart fuck a pen and a pag I only want the sucks I ain't fucking that strag

Bitch
