

## Too Easy Pt 2

BBG Steppaa

Elvis

Better off without you  
And it's finally clear to see  
That the person I was missing, it's not you, it's me  
Now I'm better off without you  
And it's finally clear to see (Gang)  
That the person I was missing, it's not you, it's me

And we always outside but we can't say the same bout the opps  
Like why is you ducking this beef  
You better not get caught out of bounds  
Cause I'm going for your body well limb from your head to your feet  
You beef with my brothers then you beef with me  
We go body for body everybody deceased  
And if I catch a body I won't say a peep  
BBG he the stepper since he was like 3  
And I'm sick of these niggas keep dissing  
Like your homie died and you ain't did shit to a opp  
Like you let us run through your block  
And we got close and pop bro top  
Like suck my dick you a cop  
Come do some since you got the drop  
Y'all ain't got no sticks shits really be prop  
Y'all ain't got no sticks shits really be prop  
Like I'm tryna make me a slime nigga dance  
Can a nigga say that I ran  
Think shit a game till he see this shit blend  
Thought lil bro died I was mad that he didn't  
When my son Sway died shit had me sticking  
Glad ain't no opp do it them niggas bitches  
When my son Sway died shit had me sticking  
Glad ain't no opp do it them niggas bitches  
Like I'm tryna bend on the opps  
We light the R with unlimited choppas like  
I get through that door bitch I'm kicking they noggin  
Shits make the same noise when it rip through your noggin  
Watch out that's the boys tryna box us  
Break down the corner hell no I ain't stopping  
Watch out that's the boys tryna box us  
Break down the corner hell no I ain't stopping  
All the opps better stay in your place  
Cause for you shit get too creative  
And yea you a camera girl but this shit not yo beef  
Dyke bitch stop making them statements  
I'm feeling like Youngboy the whole world hate me  
And bitch I'm the youngest I'm really debated  
Disrespectful spit on a opp nigga baby  
I think that might be why the opp niggas hate me
