DANGER ZONE

BBM

Yeah.

I was talkin' to somebody,
Just the other day,
About how everybody
Seems to look the other way.

It's a shame.
Don't know which way we'll go, no.
Well, everywhere I look,
It's so plain to see,
We're living in a danger zone.

I was lookin' at the news,
Just the other night.
So much pain and misery,
You know it ain't right.

It's a shame.
Don't know which way we'll go.
Well, everywhere I look,
It's so plain to see,
We're living in a danger zone.

Outside you can feel it everywhere,
We're living in a danger zone.
Outside you can feel it in the air,
We're living in a danger zone.
Yes, we are.

Outside you can see it everywhere,
We're living in a danger zone.
Outside you can feel it in the air,
We're living in a danger zone.

Outside you can see it everywhere,
We're living in a danger zone.
Outside you can feel it in the air,
We're living in a danger zone.

Yeah.
Living in a danger zone.
Yes, we are.
Living in a danger zone.
