

## Where In The World

BBM

Maybe the sun will go on shining  
Maybe the stars fall from the skies  
Where there's a river flowing  
There is no way of knowing  
Where it goes, no one knows

Maybe the rain will go on falling  
Maybe the mountains touch the skies  
Where there's a cold wind blowing  
There is no way of knowing  
Where it goes, no one knows

Living alone in the city  
All of our dreams left behind  
In every life there are seasons  
Of laughter and sorrow

Where in the world did our love go?  
When did our dreams say goodbye?

Living alone in the city  
All of our dreams left behind  
In every life there are seasons  
Of laughter and sorrow

Where in the world did our love go?  
Where did our dreams choose to hide?  
Where in the world did our love go?  
When did our dreams say goodbye?

Where in the world did our love go?  
Where in the world did our love go?  
Where in the world, where in the world  
Where in the world did our love go?
