

## Can't Say

BBMak

I can't say why I love, but I do, yes I do  
When I'm around you it feels so good, feels so good  
And everything that I can do  
Every wish I make for you  
In the end it all came true and I

I can't say why I love  
Can't say, can't say, but I do  
I can't say why I love  
Can't say, can't say, but I do  
I can't say why I love

Baby when I found you, I just knew, I just knew  
Couldn't live without you  
Feel it too, do you feel it too  
Everything you give to me  
Feels as though it's meant to be  
If you ever ask me how I feel

Now I'm thinking of you  
When I can't explain the feeling  
But I know that it's real when I hold you  
When I saw you, you know, I knew  
I knew I couldn't live without  
Without you ever in my life

When I saw you, you know, I knew  
I knew I couldn't live without  
Without you ever in my life

Everything you give to me  
Feels as though it's meant to be  
So if you ever asked me how I feel
