I need 10k for a feature
Ain't novice, I'm eliter
Move cautious, have a fever

Feel like I'm Iron Man, like a playboy philanthropist
Head game crazy like a psychotherapist, huh
Can't you see what the drip do?
I need a canoe, never trust a person using Yahoo
Wait, doesn't that A&R use Yahoo?
Fuck that shit, Gmail on my side, I'ma block that shit
Just texted Lentra, said this is a hit
Your lady wanted more, only want a pic
Contemplating if I'm gon' give her dick
Huh, whoops

Pull up with a bottle like I'm Tommy from the Rugrats
Never catch me smokin' but it's big gas
I got pretty decent hair, I do not cap
Runnin for the bag, this the tenth lap
Now I'm out of breath (Yeah, yeah)
Large bills, fat ass, might call (Yeah, yeah)
Have mail, new class, close shop (Yeah, yeah)
Run drills, get cash, get top (Yeah, yeah)
Blue bills, brown bills, check it out (Yeah, yeah)
If I'm a big dog you be a pup
Then I slid in her dm's and said 'sup, yeah
It's funny how you miss me when I'm up
Pee-pee-pee-pee, poo-poo-poo-poo-poo, check it out
Last time I heard about you did it for the clout (Clout)

Labels on my dick, you know I ain't a sell out (Out)
Need an orthodontist, bitch you clean with the mouth
So gassed that it make me pass out
