

Diva Bonita

bbno\$

(Skrr, skrr, skrr, skrr, skrr)

I got my clout up, tryna club
Tryna cash out, what is up?
Tiger rug, now I'm hot
Flexin' like I'm from the sun
Bounce out, drug free
But I'm sippin' Hennessy
Broke shit, potion
Sippin' up, I'm throwin' shit
Quotient, broke boy, what's your quotient?
Motion, slow boy, you got no motion
Don't, sleepy boy, why you be dozin'?
Notion silly boy, you got no notion

Flex so strong, yeah, all night long, yeah
Sussy boy think I'm choosin'
Shittin' on y'all, I'm usin' on slow, yeah
Sorry to say I'm comin' after you
What you gonna do when I'm chewin' on your food
Yeah, sussy boy, learn a thing or two
Ni hao, watch your baby
bb took your lady

When you gonna learn some Mando?
Gotta get bread, yeah I'm thinkin' bout bankroll
Chillin' with your mommy like, where did my pants go?
Better find it pronto, jando, pile, oh
Piece of another bando
Didn't wanna hang though
Gotta grab my Nerf
Yeah, it's lookin' like Mando, ayy
Ni hao, watch your baby
bb took your lady

I got my clout up, tryna club
Tryna cash out, what is up?
Tiger rug, now I'm hot
Flexin' like I'm from the sun
Bounce out, drug free
But I'm sippin' Hennessy
Broke shit, potion
Sippin' up, I'm throwin' shit
