Balls hanging low while I pop a bottle off a yacht
Chain swinging cling clang and it cost a lot
Bitch I'm always after gualla yeah and you are not
Bad ass B keep on going till you hit the spot
Woah

I'm a big bag hunter with the bow
She a got a big bad dumper drop it low
Momma called me and she happy with the growth
Never ever fold for a thottie that's an oath

Que Quién soy yo
Chica quién te va a ser?
El que te puso a tragar después que fuimos a comer

Ese booty es una bolsa de dinero y yo lo quiero poseer
Vamo' a celebrar hoy vamo' a beber
Tu me dice y yo hoy le voy a llegar
Te voy a recoger
Tamo en alta y te quiero probar
Beber tu cóctel hey woo!
Esa nalgas están llamándome y yo le digo Hello
Relax en un yate con par de Hoes

She tip for dick
I let her lick
I had to dip
I'm off a 5th
Am I rich now?

I bought a whip
I paint it pink
It drive itself
The fuck you think?
Yeah I'm rich now

Hey little mamma, yeah you heard about me?

Hoppin' out the function the CVS is like a block away
Bought a moisturizer my ice cold it's drying my face
Don't need that VVS, my ice is fake, your life is fake
I choose to do it for my pocket's sake
You basing your opinions on what the major says

I renovate the bad energy I erase

Inversiones y conexiones
Por la vida sin preocupaciones
Más de 100 en prendas

Más de 100 mujeres en mis fotos escribiéndome corazones
