

FIGHT OR FLIGHT

bbno\$

Boobies, boobies, tell 'em what's up
With my thugs don't give no fuck
Cross me, wish that Rolex pop
Kiss my ass, I hope you suck

Way above average, talking 'bout dick size
Don't cat size, my fresh fry
Fuck around, go bald like Caillou
I'm a fly guy, eat a red bottom

Only goal I got in life
Is make it sound good as fireflies
Sucking on my soul, got me feeling nervous
Activate fight or flight

Boobies, boobies, tell 'em what's up
With my thugs don't give no fuck
Cross me, wish that Rolex pop
Kiss my ass, I hope you suck

Boobies, boobies, tell 'em what's up
With my thugs don't give no fuck
Sucking on my soul, got me feeling nervous
Activate fight or flight, fight or flight

Sucking on my soul, got me feeling nervous
Activate fight or flight, fight or flight

Cross me, wish that Rolex pop
Kiss my ass, I hope you suck

All my verses feel like a hug
Yo girl on me shook
Fuck around, I'ma ride a buck
I want ice, you would
I'm Vietnam 'til midnight fo sho
You know I'm talking 'bout big dough

Baby no money
Left like a rom-com
FPS dick 'bout to blow, I'ma pop off
Freezing on my lollipop
That's thick, pop a squat
Don't dance if I strobe

Way past lit, it's a Molotov
Don't want smoke, need a hot box
In the pussy like Geronimo
Real cheese, little bread like Domino's
Full fit, money, monochrome
In a Princess Peach like it's Mario

Sucking on my soul, got me feeling nervous
Activate fight or flight
Boobies, boobies, tell 'em what's up
With my thugs don't give no fuck
Cross me, wish that Rolex pop

Kiss my ass, I hope you suck

Boobies, boobies, tell 'em what's up
With my thugs don't give no fuck
Cross me, wish that Rolex pop
Kiss my ass, I hope you suck
Baby no money

Fight or flight, fight or flight
Fight or flight, fight or flight, fight or flight
So easy

Boobies, boobies, tell 'em what's up
With my thugs don't give no fuck
Cross me, wish that Rolex pop
Kiss my ass, I hope you suck
Got my bag up, just my luck
Shut up boy, don't touch your luck
Shoot my shot, I'm getting buck
Wait, wait, wait, don't interrupt
