It's a sunny day in California
Got the top down, whipping down Melrose

(F) Feeling good, feeling great, got my paper straight
(U) Utopic, where you catch me popping out the Wraith
(N) No money, yeah, that's the name
(K) Kangaroo kick like I'm Wu-Kang
Shanghai, LA, Tokyo or something
Touchdown with your girl, meet me at the London
Now she hoping it was something (bbno\$)
Sorry, shawty, we ain't nothing

PJ, first class, legs up, paper plane
Live fast, die young, baby's going MIA
Feeling like Gucci Mane, pink coat, lemonade (Brr)
Passport, Paris, got me kissing twins, Mary-Kate
Valley girls dancing, Moulin Rouge
Now they talking French and asking me like, "Voulez-vous"
Now they snacking on a boy like Scooby-Doo
They tryna F-U-C-K

(F) Feeling good, feeling great, got my paper straight
(U) Utopic, where you catch me popping out the Wraith

Self-help books, no way I ain't read 'em
Yeah, your shawty's in my DM, tell your man to come get 'em
She said she don't give no fucks
Baby, this ain't love, it's lust
Let me cook, boy, good luck, Chuck
Bbno\$, baby, tell 'em what's up
Sunset, lollipop, all the finer things
Brand new chick, that's a brand new thing
Disappear real quick, poof like Blaine
Mama said never change, so I made change

(F) Feeling good, feeling great, got my paper straight
