

## help herself

bbno\$

Down on myself, hope you're doing well  
I've been honestly going through hell  
Feeling troubled, no one to tell  
Dodged a bullet, saved by the bell  
If we had to make up, last the weekend  
Save the break up just to be friends  
I would not call in the past tense  
I would've not, not fallen for you

I thought we took it slow, anymore  
I might just break without you  
Can't stop thinking about you  
(Can't stop thinking ab-)

She can't help herself at all  
She's falling deep in love  
Can't give you what you want  
My bad, I messed this up  
Can barely help myself  
I'm falling out of love  
Can't give you what you want  
My bad, I messed this up

Stole my heart, she broke it to pieces  
She said I'm average, I picked up the pieces  
She left the third time, she had her reasons  
I took her back, I had my reasons, oh, no  
I can make time, hope you're doing fine  
Hurt me when you lied, can't you take signs?  
I can fix that, I won't hurt you  
This ain't an act, yeah, I do this all for you

I thought we took it slow, anymore  
I might just break without you  
Can't stop thinking about you  
(Can't stop thinking ab-)

She can't help herself at all  
She's falling deep in love  
Can't give you what you want  
My bad, I messed this up  
Can barely help myself  
I'm falling out of love  
Can't give you what you want  
My bad, I messed this up  
She can't help herself at all (No, no, no, no, no, no)  
She's falling deep in love  
Can't give you what you want  
My bad, I messed this up  
Can barely help myself (No, no, no, no, no, no)  
I'm falling out of love  
Can't give you what you want  
My bad, I messed this up

My bad, I messed this up  
My bad, I messed this up
