(Smoke, smoke, smoke, smoke)

Too much drip, I'm a shower
Can't see the top of my money, it's a tower
Ready pop shit but my candy always sour
Said she like flowers well bitch I like flower
'Cause I make bread it rising every hour
Baby overpowered yeah people trying to Nerf my shit
Always sussy boy tryna lick my dick
Yea, pull up looking Dapper always in the cleanest fits

I can't handle people nah, telling me shit
I gotta hear myself and I made myself rich
If I make a track you already know it's a hit
I'mma get my paper straight I've never been a bitch

Baby need the money never call it quits
Baby need the money never call it quits
Only pipe a girl if she really fit
Only pipe a girl if she really fit
Find me running out the door need a little dough
Why this baby get a little mo
I'mma cop myself a boat
Set sail in a Moncler coat
Got tater tot never had a row
Money and I got eloped
All my data on a positive slope
Haters on me like "yo baby what the hell you do, why can't I call you a joke
?"
Sussy boy you is a roach
You fly economy bitch I'm fucking flying coach
Move on me you won't, I don't think I'll boch
You some dried up toast, lack of butter tho

Ay, it's DJ Yung Vamp in this bitch, bbno$, skrrr...

My life is sick yeah I do what I want
So it's fuck a 9 to 5 bitch I am a boss
I can't handle people telling me shit, don't give a hell about you, I'm clos
e to the top
Why is it once I finally get some money, everybody started to care a lot
I feel like it's just me, myself and I in a game of some snakes and I'm all
I've got
I might buy myself a house so I can finally sleep the night
Baby no money or baby on grind, he be doing it right
Business so clear I feel blind, I gotta check the sight
Steal your girly from the club, huh I just might

(I can't handle people nah, telling me shit
I gotta hear myself and I made myself rich
If I make a track you already know it's a hit
Imma get my paper straight I've never been a bitch)
