

Bad boy and I'm quite slick  
 See me, doin' numbers and I'm gettin' rich  
 I'mma, baby boy need the cute shit, laced it  
 Don't tap me with the broomstick  
 I'mma, nut quick then I dip quick  
 I'mma, go teeth with the diamond 'cause it's toothpick  
 I'mma, rich one, finessin' with the coupon  
 Movin' to the futon, why she tryna taste it?  
 I'mma, do shit, Lentra made the beat hit  
 Baby on his money, shit, I'm not about them politics  
 I'mma, go getta, kinda like cheddar  
 Also love feta but the bread a little better  
 I'mma, flex off, Balenciaga TikTok  
 Watch me drip drop with my fuckin' wrist watch  
 I'mma, big cheese, you crumble like some feta  
 Two bitches, might just call it double header

I'mma, think fast, never come in last  
 Goin' bar to bar with you, check the contract  
 I'mma take off, blast off, blow up like a molotov  
 Baby bar sound gon' be hard, but they hella soft  
 Take the sale, so I learn from that  
 Then I turn it around, then I make a rack  
 I'mma cash that, 'course I went to math class  
 Addin' all these zeroes, yeah, only sit in first class  
 I'mma dip out, shoot in for the clout  
 Always gotta pull out, yeah, baby never sell out, huh  
 I'mma pipe down, like I'm Lil Toe  
 Do a 10k show, yeah, I'm out in Guangzhou, huh  
 I'mma move slow, always for the dough, though  
 Eyes low, but I ain't tryna use my elbows  
 I'mma strike out, yeah I'm goin' all out, hmm  
 Baby only spend a couple bucks when I cash out (I'mma)
