

Yo, you silly for this one bro  
What the fuck you mean I ain't hurt nobody argansar

I'm just tryna jugg  
Diamonds plastic (what), bae Jurassic  
How she work that booty, man she doin' magic, I like had to have it  
Life Jurassic, wait  
Bitch, I'm the goat  
Flexing like the pope, I got secrets in my coat, yeah  
Rubies goin' through some menopause, you got the POV  
Mind on my money, yeah that's the bare necessity (fur)  
Water, water, water, water, water, water, drip  
Tater totter, Harry Potter, please get off my dick, yeah

Drippity, drippity, drippity, drippity, drippity, stick (pew, pew, pew)  
Been like 2 weeks of school, haven't done shit  
Uhhhhhhhhhhhhhhhhhhhhhhhh  
Am I a dumb shit?  
Been like 22 years, never had a real wrist  
What's the time bro, I'm feeling kinda cold  
The way I whip my wrist, gold standard, yeah its pinnacle  
The way I drink my whey, wait what what whey  
Obviously, double cup, your mommies over, time is up  
Waddle waddle waddle, big chain, no rocks  
Genie in the bottle, one wish, no thots  
Texting 99 ladies, think I got a problem  
And the booty got me weak, yeah Hakuna Matatum (Lion King)  
Ice be tryna resonate, your mommy and I had a date  
Broke her back once and she told me "break it twice", yeah  
Always on your feet, yeah I'm stunning just like lice, yeah  
Bbno\$, you got that right bitch

I'm just tryna jugg  
Diamonds plastic (what), bae Jurassic  
How she work that booty, man she doin' magic, I like had to have it  
Life Jurassic, wait

Tater totter, Harry Potter, please get off my dick, yeah

I'm like woah, I ain't messing with you hoe  
Trippy be the coolest on the west side of the globe  
On the east side of the country, we be losing all control  
People all over the world, they fucking telling me we dope  
International passenger, flying we dank (trip)  
Putting it together, I'm stronger than 3 tanks (trip)  
Bout to be a boxer with them knockers in the rink (trip)  
Smoking on exotic and the product is green bank (ay, ay)  
Bbno\$ and Trip the Kid, yeah we running it  
Put some gravy on everything, we the ones that you bumpin  
And in the whip or the party, you got that lemon Bacardi  
I got the pack of the millies, know homie let's get it started  
Bbno\$ in china, trippy the man on the moon, dude  
Taking me out of the line up

Thinking what I'm gonna do, do  
I can lift the world and I could drop it on your head, but if I really wanna  
kill you I'll just spit until I'm dead, ay

I'm just tryna jugg  
Diamonds plastic (what), bae Jurassic
