Ay, yo, yo, yo, yo  
Chill out bro  
Lemme tell you a little story how my day went

So I woke up, thought to myself like, "How I get my bags up?"  
Pop out the bed, then of course I got my bags up  
Sip on that brown net pack with my legs up  
Really 'bout my cheese, and I'm glad I got gouda  
GDB high like I was from Bermuda  
Drop Tilted Towers, first find that Bazooka  
Call up my squad, might just pipe up like Cooper  
45th round with your girl, I'm a trooper  
Bitch label talk for me, balls at IKEA  
Do not disturb, I've got my... didn't make it clearer

I don't leave my house, so I'm stuck home (Stuck home)  
Need my money now, I'm kinda cutthroat (Cutthroat)  
Balenciaga first, that's a trenchcoat (Trenchcoat)  
I don't eat my kind, I don't like dope
