Think I might do this, a while  
My money goes on for miles  
That's travertine on the tiles  
I'll calculate, then I'm down  
And that's a pink slip, no lease  
Hey, mind your manners, say please  
I'm getting sued for my steez  
Why don't you settle on these?

Two times two is four  
That's Dominican girls galore  
Got really good skin, I glow  
Let 'em know, let 'em know, let 'em know  
It's the money on the line, hello?  
Get the bag, that's the real M.O  
Guess I made another hit once more  
I'll let 'em know, let 'em know, let 'em know

Now my girl mad  
Got my bag up (Huh)

Stole my girl's booty cheeks like it's cheat day  
Dining on the fillet and it cost a rack  
She got nine lives, tryna kill that cat  
Property tax, yeah, I ain't paying that (Fuck that shit)  
Health is wealth baby, I'm with Aflac
