Lickity Split

bbno$

(Ba da bada... skr... skrr skrr)

Smoking fake grass, lets shake that, cop a Maytag
Cop a main back, now I'm laid back, weighed back
Face that you wanna taste that, where the chase at
Sippin on this Henney, fuck that shit wait up on base here
Been so long you hit like bono easing all that cheese
Mousetrap on your chest so strong and catching all these yeets
Sleep on me, got your girl one queef yeah munching on my keif
Beef with me, got mistakes on me, of course she beats my meat

Course she beats my meat, you stink up from the sheets, now come up game, ye ah
Fuck your shit I'm on my uni shit I'm out here running shit, yeah
Sippity sippity sippity sippity sippity sippity sip
I'm out here sippin on the black shit I don't really get that feel...
Lickety lip, lickety split, its so weak I got nerfs in my clip
Eat our sun so oolouchi, china fucks with me
Down on me, rambo flexin like john doe, peter pipe up, pipe up, pipe down
Put you on the grill with a couple of bills and a brand new clip in the hill s
Got no ammo to say hello, this'll go yeah, like where your fam go
Feel your crotch now grab the kilo, hold a bad check to the end of the rainb ow
Built my empire quick, I built my empire quick yuuh...
I need a badass bish I need a badass bishh gang

Smoking fake grass, lets shake that, cop a Maytag
Cop a main back, now I'm laid back, weighed back
Face that you wanna taste that, where the chase at
Sippin on this Henney fuck that shit wait up on base here
Been so long you hit like bono easing all that cheese
Mousetrap on your chest so strong and catching all these yeets
Sleep on me, got your girl one queef, yeah munching on my keif
Beef with me, got mistakes on me, of course she beats my meat

Beat my meat for me, my girl will roll my weed for me, I promise
Taught me all my speed, your weed, bitch never nice and clean, I got it
Cops all over my life fuck 12, don't got much but you'll still find out
My weed all over my nuts right now, just pinched off gotta give up right now
Ey watch me dab my blunt, eyy, dipping off on the run
Eyy, trippy just trying to have fun, eyy, this that shit be number one
Trippin out the back hes back to back we had a pack again
I'm posting back to back I'm on my aunties gotta pack it down
But if he bustin the nut with the dome, with his soak, with that bottle
I'm tryna be under the influence, every damn day I get drunk with it
Honestly baby I know you still loving the trip
All the shroomies got my mind up in the galaxy
I'm ready, you ready, we breaking it down, they calling me "trippy the salar y!"

Smoking fake grass, lets shake that, cop a Maytag
Cop a main back, now I'm laid back, weighed back
Face that you wanna taste that, where the chase at
Sippin on this Henney fuck that shit wait up on base here
Been so long you hit like bono easing all that cheese
Mousetrap on your chest so strong and catching all these yeets
