mathematics

bbno$

Flame suit, French leather, and my girl bad
Gatekeeper say it's open, I ain't calling back
Fifteen minute TED talk, collecting forty racks
One milli paid in tax, bitch, do the math

Do the math, bitch, do the math
One milli paid in tax, bitch, do the math
Do the math, bitch, do the math
One milli paid in tax, bitch, do the math

Did the math, I'm baby Johnny Cash
My girl gon' throw it back
Damn, my life is Cinemax
Holy hell, this smacks
I make hits and you make trash
I'm on vacay, do not ask
Poolside eating Apple jacks

Shut up, bitch (Shut up)
Big deal like TJ Maxx
Pop some cataracts
Watching Art-a-tack

Nic Cage how I act
Heavily dislike tax
Got some ASICS on my feet
Never wear Air Max

I'm in the cut, like a wound
Wake yo ass up, make some room
In my girl, cumming soon
I don't fuck with honeymoons

Throw some money on my tomb
Finesse too hard, I'm feeling oom
Girls love me, they wanna spoon
Let me finish, I'll resume

Flame suit, French leather, and my girl bad
Gatekeeper say it's open, I ain't calling back
Fifteen minute TED talk, collecting forty racks
One milli paid in tax, bitch, do the math

Do the math, bitch, do the math
One milli paid in tax, bitch, do the math
Do the math, bitch, do the math
One milli paid in tax, bitch, do the math

I just curved Cameo
She said I'm her Romeo (Juliett)
She gon' split me up and lick me up like Oreo
First global book deal
Sell that shit to Indigo
Getting money since I was an itty-bitty embryo

Save my money, when I die for the fam
Always make a sale, catamaran

Shawty tryna play some games
But I don't play Catan
I'm a plug, she an outlet
Cut out mister middle man

Yeah, I got assets she wants to come see
Only speak the truth, hyperbole (Facts)
Goddamn, I sound good on this beat (Sheesh)
Extraterrestrial, ET

Flame suit, French leather, and my girl bad
Gatekeeper say it's open, I ain't calling back
Fifteen minute TED talk, collecting forty racks
One milli paid in tax, bitch, do the math

Do the math, bitch, do the math
One milli paid in tax, bitch, do the math
Do the math, bitch, do the math
One milli paid in tax, bitch, do the math
Do the math, bitch, do the math
